To the UN Committee on the Observance of the Convention on the Rights of the Child

Attached please find herewith my supplementary comments to the 3rd Danish Report on the implementation of the observance of the rights inherent in the UN Convention of 20 November 1989 on the Rights of the Child.

My remarks are based on concrete personally observed evidence in Danish asylum centres over the last five years.

Please do not hesitate to contact me, if you have any questions or comments or needs for further documentation in relation to the attached comments.

Yours sincerely

Dr. Bente Rich

Child Psychiatrist
